## ADP Payroll Import

Addon for Microsoft Dynamics NAV / Navision

**Import ADP general ledger information directly into a Microsoft Dynamics NAV / Navision journal.**

- ▶ Stop wasting time keying in payroll data.
- ▶ Eliminate input mistakes with an automated process.
- ▶ Track and report on additional data like employees, cost centers, and departments.

### Get General Ledger Entries Directly from ADP

Stop hand-keying in of General Ledger entries each pay period. With the ADP Payroll Import addon, you can bring the general ledger entries into Dynamics NAV / Navision with just one click.

Each pay period, ADP will send you an electronic file, which you can import directly into your journals with this addon. Files of the import include: company, cost centers, departments, employee number, and employee name.

**Contact your local provider to order now.** For more information call, e-mail or visit our website:
