

Easy Currency Exchange

Addon for Dynamics NAV

Dynamics NAV Addons
a Vertical Leap company

Dynamics NAV Versions: 5.0, 2009, 2013 R2 – Languages: English – Countries: Any

Price: Contact info@dynamicsnavaddons.com or your local NAV Partner for Pricing Information.

Automatically or manually update Dynamics NAV Exchange Rates

Save time and greatly improve accuracy with Easy Currency Exchange. In today's world of fluctuating currencies, get the ability to have daily exchange rates uploaded into your Microsoft Dynamics NAV.

Give your company the most accurate financial and operational reports available, with no manual work!

- Update rates as of a specified time or last London close (5:00 PM GMT)
- Set a different base currency for each company and select from 160 currencies to update
- Select frequency of update and specific days of the week
- Includes subscription to trusted cloud-source Strikelron and 5,000 currency updates per year (more may be purchased if needed)
